Nowadays, more than ever, the company is proud of being **100% Made in Italy** and is among the few companies that can independently complete all the stages of production, from design to the finished product. This allows for unlimited possibilities in customization, and new lines and models being introduced often. With 31 different finishes available and the possibility to combine them, the options are unlimited!

Successful even abroad, Newform is found in many countries all over the world with a widespread distribution network that allows the Italian-made product to be recognisable everywhere.

Newform can be found in some of the most top-of-the-line international hotels, including; 400 Park Avenue South in New York City, the Intercontinental Beijing, the Melia Madrid Princesa, the Topaz 1402 in South Africa, and many, many more.

Design inspired by the best “Made in Italy”, innovation and technology along with **environmental requirements, quality standards and international certifications** are the reasons Newform has become a major player in the international market.

Some Newform products are NSF certified in the U.S.A. and Canada as well as EPA WaterSense approved in the U.S.A. Choosing a product certified by NSF lets you know the company complies with strict standards and procedures imposed by NSF. From extensive product testing and material analyses to unannounced plant inspections, every aspect of a product’s development is thoroughly evaluated before it can earn certification.

WARRANTY

Newform S.p.A. guarantees the mechanical part of the product on the reference for a **5 year-long** period and the electric part for a **24 month long** period from the date of purchase. In case of necessity, please present this certificate duly compiled to the retailer together with the **PRODUCT** and **THE BILL** or **PURCHASING RECEIPT**.

During the **WARRANTY** period items or details will be replaced free of charge against defects imputable to **Newform S.p.A.**. No person is authorized to modify the terms of this warranty or to issue other oral or written guarantees.

THE COMPANY WILL NOT BE LIABLE due to:

- failure to produce invoice details proving date of purchase;
- damages due to carelessness or during transport;
- should the installation not conform with fitting instructions;
- unauthorised modifications or repairs;
- surface deterioration due to cleaning methods not in accordance with instructions.

The Company shall accept no responsibility for compensation towards assembly or disassembly, nor installation of the fitting and shall not be liable for consequential loss or damage of any kind whatsoever to or in any way caused by the goods or their use.

MINIMUM ADVERTISED PRICE (MAP) POLICY

Effective January 1, 2021 a MAP (Minimum Advertised Price) Policy that has been adopted by Streamline Canada/Alore Design will take effect and will replace and supersede all prior MAP policies ever issued by Streamline Canada/Alore Design. This new policy applies to all customers, dealers and resellers and is being implemented in order to avoid any further distribution channel conflicts and to better serve our customers. Further, the policy outlined below is being adopted and unilaterally implemented by Streamline Canada/Alore Design as part of its efforts to preserve the premium branding and pricing associated with the company's products. Any information relating to a product on an Internet website is considered to be advertising for purposes of the policy set out in this memo. Thus, this policy is applicable to any and all advertising of the company's products over or by the Internet, whether done through a website controlled by a customer, through an auction website such as eBay®, or through Internet placements with third parties (e.g., banner ads and destination pages).

POLICY: Streamline Canada/Alore Design Products: may not be advertised or sold at more than 25% off suggested list prices.

This policy is unilateral, non-negotiable and will not be altered for any customer. Each customer is free to determine for itself whether or not to follow this policy and how it will sell the products covered by this policy to a consumer or other purchaser, including the prices at which it will sell the products to the purchaser. Any method of granting a discount from the current suggested list price for a unit of the applicable product is intended to be covered by these policies. Thus, for purposes of determining whether or not a particular price is in violation of these policies, any discounts, coupons, allowances, gifts or other free goods or services offered with Streamline Canada/Alore Design products will be considered in calculating the price being advertised or offered by a customer. Advertised price is defined as the price presented to the customer on any/all browse or product display pages. Please understand however, that Streamline Canada/Alore Design is not asking for, and it will not accept, any agreement or other assurance of compliance from a customer regarding the policy. Similarly, Streamline Canada/Alore Design will not discuss any conditions or acceptance related to the policy, even if initiated by a customer.

Furthermore, any customer selling Streamline Canada/Alore Design products to other persons or businesses which advertise or otherwise promote Streamline Canada/Alore Design products by or over the Internet or other means used in connection with the transmission of communications to others by or through the use of a computer at prices that are in violation of this policy is also in violation of this policy and are not authorized to do so by Streamline Canada/Alore Design.

VIOLATIONS

Streamline Canada/Alore Design reserves the right at any time to audit and investigate the Internet advertising of Streamline Canada/Alore Design products by any of its customers. Any customer determined to be in violation of these policies is subject to any of the following steps being taken by Streamline Canada/Alore Design in enforcement of the policies:

1. Streamline Canada/Alore Design will notify customer in violation of the MAP policy. The customer in violation will be issued a written warning.
2. If a second violation occurs or no action is taken on an initial violation within thirty (30) business days, Streamline Canada/Alore Design will notify the offending customer and identify the violation by way of a second written warning.
3. Upon a third violation or lack of action on any initial violation, the customer's purchasing privileges for the product(s) in violation with Streamline Canada/Alore Design will be suspended for thirty (30) days and no further orders with Streamline Canada/Alore Design for the product(s) in violation will be shipped during that same period of time.

Streamline Canada/Alore Design reserves the right to notify customers that have chronic violations that their purchasing privileges may be suspended upon refusal to maintain adequate market prices. Streamline Canada/Alore Design reserves, in its sole and absolute discretion, the right to change the policy outlined in this Notice and to interpret, enforce and otherwise handle all questions and issues relating to this policy. Streamline Canada/Alore Design can also at their discretion offer limited time promotions where an identified customer can qualify for a retail price break on select items at no penalty. No sales representative or agent of Streamline Canada/Alore Design has any authority to change or enforce this policy, or to take any actions against or for any customer.
